Introduction

Mathematics is one of the oldest academic subjects and is one of the most mature and well-developed disciplines of basic sciences. Mathematicians are making lasting contribution to the society by helping to solve problems in such diverse fields as health sciences, engineering, computer science, management sciences, government organizations and social sciences.

The Department of Mathematics provides services to the entire Institute, from undergraduate students to graduate students in mathematics as well as other departments who need to upgrade the mathematical skills of their students. The department offers M.Sc. Mathematics and MS Mathematics in the disciplines of pure mathematics, applied mathematics, and computational mathematics.

Program Objectives

Members of the department is to pursue excellence in mathematics through teaching and research. We are achieving our objectives with the help of our highly qualified and distinguished faculty of national and international repute. Faculty members are publishing their research results in a range of professional referred journals and books. They are active in delivering talks at various international and regional conferences besides this the department is looking to host an international conference in the various disciplines of mathematics.

Programs Offered:

- ▶ M.Sc. Mathematics
- ▶ MS Mathematics

M.Sc. Mathematics:

Program Duration:

The entitled degree program is a two-year M.Sc. program. The core part of the degree is completed in the first two semesters, which will emphasize on the core part of Mathematics. This includes Introduction of Real and complex analysis, topological spaces and Differential Equations. However, in the following two semester's specialization in Pure and Applied Mathematics is being offered.

Eligibility Criteria for Admission in M.Sc. Mathematics:

- B.A/B.Sc with Mathematics as major subject from an accredited educational institution without any third division or D grade in academic career for admission in to the M.Sc program.
- NTS With 50% marks as per CUI policy.

MS Mathematics:

Program Duration:

The MS program will be comprised of 24 credit hours of graduate level courses and 6 credit hours of thesis. Duration of this program is at least two years.

Major Courses:

Pure Mathematics (Commutative Algebra, Algebraic Topology, Functional Analyses Theory of Groups etc.), Applied Mathematics (Optimization Theory, Advanced Topics in Graph Theory, Advanced Mathematical Statistics), Computational Mathematics (Numerical Solution of ODEs, Numerical Optimization, General Relativity)

The specialized areas of MS in Mathematics include:

1. Computational Mathematics
2. Thermal and Fluid Sciences
3. Graph theory and Algebra
4. Computer Aided Geometric Design
5. Bio-medical Applications
6. Financial Mathematics

Eligibility Criteria:

- A 16 years degree, in the relevant field, from an accredited educational institution with First Division (annual system) or CGPA 2.5/4.0 (semester system).
- No third division (annual system) or D grade (semester system) throughout the academic career.
- NTS GAT (General) with 50% marks minimum.

Faculty & Skills:

The Department of Mathematics at CUI Sahiwal comprises 25 full-time faculty members among which 14 faculty members have PhD degrees, enriched with various specializations in diverse areas of mathematics like, Combinatorics and Graph Theory, Commutative Algebra, Fluid Mechanics, Mathematical and Statistical Modeling etc.

Few faculty members also have funded search projects to support search associate financially.

Career Prospects:

The professional diverse career opportunities may depend upon individual skills and interests of the expected graduates. They may pursue their career in academia, research or in any field of life. In particular the graduated student will be beneficial for entire region to promote educational skills and applied knowledge gained from their mentors.

Facilities:

It includes:

- ▶ Extended student-teacher contact hours
- ▶ Free wireless internet connectivity on the entire campus
- ▶ Labs equipped with efficient computers and high speed internet
- ▶ State-of-Art classrooms equipped with multimedia
- ▶ State of art library which includes 534 books of Mathematics and Statistics, International journal in hard binding and online digital library
- ▶ Hostel facility
- ▶ Transport facility in Sahiwal, Okara, Chichawatni, Harrapa, Arifwala and Pakpattan
